STIPULATION REGARDING GOVERNMENT EXHIBIT 8

The United States and the defendants agree to the following as uncontested facts:

Government Exhibit 8 is surveillance video footage captured at the Newaygo County Jail on the evening of October 16, 2019. The jail's video surveillance system captures only video and not sound. This system was in good working order at the time, and the footage fairly and accurately depicts the people and area shown in the video. Government Exhibit 8 is admissible as evidence in this case.
